3、按页面提示，填写相关资料，点击下一步

The image shows the first step of a user registration process. At the top, the title "用户注册" (User Registration) is centered. Below it, a progress bar indicates two steps: "1 填写账户信息" (1. Fill in account information) and "2 上传证件信息" (2. Upload document information). The first step is active. The form contains five input fields: "单位名称:" (Unit Name), "联系人:" (Contact Person), "办公室电话:" (Office Phone), "联系电话:" (Contact Phone), and "密码:" (Password). Each field has a placeholder text. At the bottom, there is a blue button labeled "下一步" (Next Step) and a link labeled "前去登录" (Go to Login).

4、填写申请人的身份证号码并上传身份证的正反面图片，点击提交。平台管理员审核通过后，账号和密码就可以使用。

The image shows the second step of the user registration process. The title "用户注册" (User Registration) is centered. The progress bar now shows "1 填写账户信息" (1. Fill in account information) as completed and "2 上传证件信息" (2. Upload document information) as the current step. The form contains three input fields: "身份证号码:" (ID Card Number), "身份证正面:" (ID Card Front), and "身份证背面:" (ID Card Back). The first field has a placeholder. The second and third fields have a "选择文件" (Select File) button and the text "未选择任何文件" (No file selected). At the bottom, there is a blue button labeled "上一步" (Previous Step), a green button labeled "提交" (Submit), and a link labeled "前去登录" (Go to Login).
